

Department of ISOM
Assistant Lecturer of Information Systems and Operations Management
Ball State University

The Department of Information Systems and Operations Management at Ball State University has a full-time contract faculty position available January 2022 for the academic year. Primary responsibilities focus on teaching undergraduate business analytics (BA) and/or logistics and supply chain management (LSCM) courses which may be delivered on campus or online, synchronously and asynchronously. Normal teaching load is twelve (12) credit hours each fall and spring semester with opportunity to participate in our department and LSCM center activities.

At Ball State University, inclusiveness and freedom of expression are a part of our enduring values and inform all of our efforts. We encourage applicants to familiarize themselves with our Inclusive Excellence Plan to learn more about our commitment and to identify how you might contribute to these efforts.

Minimum Qualifications: MBA or Master's degree in business analytics, logistics and supply chain management, or closely related areas from an accredited institution by date of appointment; at least five years of work experience in an area related to business analytics or logistics and supply chain management fields.

Candidates for searches must have current authorization to be employed in the U.S. without employer sponsorship.

Preferred Qualifications: Evidence of effective and innovative teaching at the university level, and experience with on-line teaching. Managerial experience in the areas of logistics and supply chain management.

Apply online at: <https://bsu.peopleadmin.com/postings/25539>. Include the following documents with your application: curriculum vitae, inclusive excellence statement, and cover letter. In the Applicant Documents section of this application, please provide a statement describing how you would contribute to the development of a diverse and inclusive learning community at Ball State University through your teaching, research, and/or service. The option to upload transcripts is available. Original, official transcripts showing the highest related degree earned is required at the time of hire (even if obtained at BSU). Degree verification will be conducted.

Review of applications will begin immediately and will be accepted through September 1, 2021.

Ball State University is located in Muncie, Indiana, approximately 45 miles northeast of Indianapolis. Approximately 21,000 undergraduate and graduate students enroll each year in diverse academic programs on and off campus. Our students come from all Indiana counties, all 50 states, and 68 countries to pursue knowledge in seven academic colleges offering 190 undergraduate majors, 130 undergraduate minors, 140 graduate programs and 200 study abroad programs.

The Ball State way is rooted in the Beneficence Pledge – a commitment to excellence in teaching and scholarship, honesty and integrity, social responsibility, gratitude and valuing the intrinsic worth of each member of our community. Ball State students, faculty and staff are empowered in a culture that believes in them and demands they believe in themselves. They are partners in an innovative, immersive approach to education. They are supported by living and learning facilities that enable intellectual curiosity. We graduate scholars who are changing the world, and we've dedicated our University to do the same.

The university offers an excellent wellness program and extensive benefits offerings to include a generous paid time off package and paid parental leave.
